Australian Animal Show 'Hops to it' at the [insert fair name]

City, State— Audiences are introduced to the wonders of “Down Under” as they interact with several different species of marsupials (pouched animals) such as kangaroos, wallabies, walleroos. Also offered are other native Australian wildlife including lizards and birds such as the kookaburra, rainbow lorikeet and bearded and frill dragons.

Seeing, touching and hearing the stories behind these captivating creatures during three shows performed daily. As you wonder throughout the educational and interactive areas, you learn about native Australian art, musical instruments and other animals, found only in Australia! Aussie Kingdom offers this opportunity of a lifetime, along with an ongoing display of the animals throughout the day.

Coming from Colorado the wonderful little mob of roos are shown by bush guide Carolyn Lantz. “I think we are more likely to preserve what we know,” says Lantz , “I truly enjoy showing these animals and helping to educate people on just how unique they are.”

Aussie Kingdom is the only traveling Australian Animal Show in the United States and Canada.
