To whom it may concern,

It is with great pleasure that I am writing this reference for Carolyn Lantz. Carolyn has been involved with the City of Thornton's Thorntonfest and Harvestfest for the past 10 years. During these large events, Carolyn has provided us with quality Pony Rides and Petting Zoo's.

This last year, she proposed adding her newest creation; Aussie kingdom. This is a display of Australian born animals, including Kangaroos, Wallabies and Wallaroos. In addition to displaying the animals, there is a huge educational and interactive part to the show.

Looking back, we were very pleased with the addition of Aussiekingdom. Carolyn and her crew are very pleasant to work with, are professional and reliable. I would have no hesitation to recommend any of her shows for any event.

If you would like more information, please feel free to contact me at 720-977-5915

Sincerely,
